

**Prairie Thunder Pyrotechnics Guild Inc.  
Fargo, ND**

**Have you heard? There is now a fireworks enthusiasts club based in Fargo serving members from as far as they are willing to travel to join us.**

**We are dedicated to promoting the safe and artistic use of all types of fireworks through group activities including organized shoots and meetings year round.**

**We are a registered North Dakota Non-Profit corporation. We do not sell fireworks or provide service for hire. We use our club as an outlet for the promotion of fireworks safety, information exchange, group shoots, and public education.**

**Regardless of your level of experience or field of pyrotechnic expertise, we need YOU to enable our club to flourish and prosper. So whether it is a 16 pack of firecrackers around the 4<sup>th</sup> of July, or you spend countless hours building and planning each and every element of your shows, you now have an organization with similar interests to share your ideas and learn about this glorious hobby.**

**If you love fireworks, please visit our website where you can submit a request for more information about who we are and what we do.**
